

THE TIKIBAR Glasgou

Introduction to our menu

We are extremely passionate about Thai food and our chefs work hard to bring you tasty, responsibly sourced meals.

We like fresh food, not frozen! We offer a concise menu to allow us to keep things fresh, only the prawns and squid are frozen. Ever wonder how some places offer 60 odd menu items?

Free range eggs, sustainable fish and good Scottish beef.

Vegetarian dishes are prepared separately to meat, and vegetarian curries are made using vegetarian paste.

All of our pastes, sauces and dipping sauces are made in-house from scratch by our chefs.

Dishes are slightly less spicy than you would get in the heart of Thailand. Why not ask for extra spice when ordering.
