We like fresh food, not frozen! We offer a concise menu to allow us to keep things fresh. Ever wonder how some places offer 60 odd menu items?

Vegetarian dishes are prepared separately to meat, and vegetarian curries are made from vegetarian paste.

All of our pastes, sauces and dipping sauces are made in-house from scratch by our chefs.

Dishes are slightly less spicy than you would find in the heart of Thailand. Why not ask for extra spice when ordering?
